GUATEMALA

The powerful "bean 2 cup" solution for the catering industry has one or two powerful coffee grinders for two different varieties of coffee, and two instant containers for drinks containing milk and/or chocolate. New techniques are used to meet high standards of hygiene.

Approval marks

Our ISO 9001 and ISO 14001 certificates prove that the company Aequator AG fulfils the international standards of quality management and environment management.

Hot Start System

Aequator's unique heating system creates pleasantly hot coffee enjoyment, from the very first cup.

High Hygiene Standard

Best hygiene milk system keeps bacteria away and reduces maintenance and cleaning work (meets EU hygiene regulations HACCP).

Grinder Control

Excellent taste guaranteed by automatic quality control of grinder and automatic adjustment of grinding and brewing times.
