MEXICO

The coffee machine Mexico is ideal for professional gastronomy (hotels, cafeterias etc.), and for offices. Easy use by simply pressing a button. It is possible to prepare two cups at the time, guaranteeing fast preparation of high quality coffee. The elegant machine with glass front is, due to its rugged components, a long life machine.

Approval marks

Our ISO 9001 and ISO 14001 certificates prove that the company Aequator AG fulfils the international standards of quality management and environment management.

Hot Start System

Aequator's unique heating system creates pleasantly hot coffee enjoyment, from the very first cup.

High Hygiene Standard

Best hygiene milk system keeps bacteria away and reduces maintenance and cleaning work (meets EU hygiene regulations HACCP).

Grinder Control

Excellent taste guaranteed by automatic quality control of grinder and automatic adjustment of grinding and brewing times.
