---

**Touch Display**

Modern presentation of your products: Individual colour worlds on easy-to-use touch screen, simply swiping.

---

**Double outlet**

Double outlet to prepare two cups at the same time.

---

**Cup stand foldable or easy to remove**

To ensure clean drink preparation for cups up to 10 cm high.

---

**2 types of coffee with 1 grinder**

Spacious bean containers for 600 grams of beans. Enjoy directly the fresh grinding process.

---

**Aequator Flexi Grind (AFG)**

Our Swiss made coffee grinders offers you 100 % freshly ground premium coffee, due to our special empty grinding process. The product specific automatic grinder setting (coarse/ fine) provides you best in cup quality for each drink.

## BOLIVIA

“AFG” technology (Aequator Flexi Grind) in our Bolivia coffee machine ensures the perfect experience for enjoying your favourite coffee drink. The innovative user platform with an integrated 7” touch screen makes selecting drinks and using the machine intuitive. Icons, an automatic user interface, movies and pictures help you prepare fabulous coffee with ease.
